Pain Management Board Certification - Expires 12/31/2032

### **Awards/Accomplishments:**

Intern of the year, Department of Medicine, NYU Long Island Hospital, 2008  
Medical School – Honors in Medicine, Surgery, Anesthesiology  
Barry Collar Scholarship Recipient, 2004  
Chancellor's Award for Student Excellence, 2003  
Deans List 1999-2003

### **Membership in Honorary/Professional Societies:**

American Society of Anesthesiology (ASA)  
American Society of Regional Anesthesia (ASRA)  
Phi Beta Kappa Honor Society

## **Publications/Presentations:**

Can Changes in Vital Signs be Used to predict the response to lumbar facet blocks and radiofrequency denervation? A prospective, correlational study. Cohen SP, Ramasubbu C, Atanelov L, Amasha R. Reg Anesth Pain Med. 2014 Jul-Aug;39(4):333-40.

Principles of electrical stimulation and dorsal column mapping as it relates to spinal cord stimulation: an overview. Ramasubbu C, Flagg A 2nd, Williams K. Curr Pain Headache Rep. 2013 Feb;17(2):315

Cooled sacroiliac radiofrequency denervation for the treatment of pain secondary to tumor infiltration: a case-based focused literature review. Ramasubbu C, Cohen SP. Pain Physician. 2013 Jan;16(1):1-8

Ramasubbu C, Gupta A. Pharmacological treatment of opioid-induced hyperalgesia: a review of the evidence. J Pain Palliat Care Pharmacother. 2011;25(3):219-30  
Penn Pain Medicine, University of Pennsylvania, Published on 8/2011

Interventional Pain Medicine, 2011 Oxford University Press USA  
Editor: Anita Gupta, DO, PharmD  
Chapter: Lumbar Spine Radiofrequency Ablation

Pharmacology in Anesthesia Practice, 2012 Oxford University Press USA  
Editors: Nina Singh-Radcliff, MD and Anita Gupta, DO, PharmD  
Chapters: 1. Centrally Acting Muscle Relaxants  
2. Acetaminophen

The 5-Minute Anesthesia Consult, 2012 Lippincott Williams and Wilkins-Wolters Kluwer  
Edited by Nina Singh-Radcliff, MD  
Chapters: 1. Endotracheal Tube/Intubation Criteria  
2. Lactating Females Anesthesia  
3. Pregnancy Substance Abuse  
4. Systemic Lupus Erythematosus.

First Author for all chapters

Presentation of original research, "Functional Outcome after Lumbar Epidural Steroid Injection is Predicted by a Complex of Fibronectin and Aggrecan" at the PARRC on 5/2011. Won first place for best original research poster presentation.

Cephalad Migration following Spinal Cord Stimulator Implantation: Technical Report and Literature Review. Kai McGreevy, MD, Chitra Ramasubbu, MD, Paul Christo, MD Kayode Williams, MD. Submitted to Pain Physician

Technical Aspects of Inferior Hypogastric Plexus Block for Chronic Pelvic Pain, a Case Report. Chitra Ramasubbu, MD, Kai McGreevy, MD, Paul Christo, MD, Department of Anesthesiology and Critical Care Medicine, The Johns Hopkins University School of Medicine.

## **Hobbies & Interests:**

Cooking, cake decorating, photography, party planning and traveling with family and friends
